Dear Parents, Carers and members of Staff

Appointment of Executive Headteacher

As you are aware the Federation of Heathfield and St Francis Schools was established on 6th April 2017.

The first and most important task for the newly constituted governing body was to address the appointment of a permanent executive headteacher to lead the federation into the future.

After due process we are pleased to inform you that Mr Steve Hollinghurst has been appointed as executive headteacher of the Federation of Heathfield and St Francis Schools, effective 3rd May 2017.

Mr Hollinghurst has a clear vision for the future of the federation which has the welfare and development of every pupil at both schools as the core focus of everything the schools in the federation strive to achieve.

The governors are confident that under Mr Hollinghurst's leadership both Heathfield and St Francis Schools will continue to do the very best for all pupils in the coming years and we are committed to supporting him in every way we can in this permanent role.

We thank you for your continued support and commitment and look forward to working with you during the exciting times ahead of us.

Yours sincerely,

June Goble and Colin Knight
Co-chairs of Governors of the Federation of Heathfield and St Francis Schools
