

Star Squad

Children from Ash Class, Chestnut Class and Fir Class worked together to practice a dance for the Star Squad Show at Ferneham Hall. They chose the song "Reach for the Stars" by S Club 7 and worked as part of a team practicing their dance. The children also decorated their own costumes using fluorescent fabric paints to create their own designs on t-shirts as well as make some shining stars.

All the children worked incredibly hard and the show at Ferneham Hall was a huge success and a culmination of hard work from other local Hampshire Special Schools.

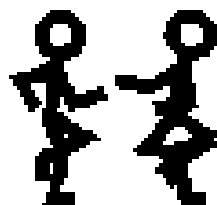

Well done to Ash, Chestnut and Fir classes! You're all stars!
