Parental Survey October 2016

- There were 63 responses to the survey which is 58% of the cohort.
- Responses were extremely positive.
- For most questions there was a 90% agree or strongly agree response.
- The question with regards to the child receiving appropriate homework received the least positive response, however many parents chose not to answer this question.

Sample of comments

Question 14. How has the school improved over the last year?

"Staff seem a lot more approachable"

"The school uniform being compulsive"

"Increased my son's PEC's usage"

"Better structure and learning for children, better techniques in place for behaviour, good communication between staff and parents"

"Comms has improved dramatically, as a parent I now feel the school is eager (and sees the value) of keeping parent/carers up to speed. The 'feel' of the school has improved"

Question 15. What do you think the school could do better?

"Communication"

"More information in the communications book"

"Set more homework on different subjects even if its only 5/10 mins per day"

"It's very clear to see that a lot more effort is put into academics and the children's learning, however there needs to be consistency with care issues also. They are equally as important"

Question 16. Any further comments?

"Keep up the momentum of improvements and good work"

"Lovely teachers that have a brill bond with my son"

"Thank you to all the staff who put in so much effort with the pupils"

"Cannot praise the school enough"

"My child is very happy at school and we continue to be happy with his progress"
